

DEPARTMENT OF TECHNICAL EDUCATION

From,
The Director of Technical Education,
Directorate of Technical Education,
Chennai – 600 025.

To,
The Heads of Flying Squad concerned

Letter No: 023318/Y3/CDC/2023, Dated: 28.08.2023

Sir/Madam,

Sub: Technical Education – Announcement of Hon'ble Minister for Higher Education 2023–24–Introduction of Curriculum structure under "Naan Mudhalvan" scheme in Polytechnic Colleges – Monitoring the training of Naan Mudhalvan course by flying squad – Reg.

- Ref:**
1. Announcement of the Hon'ble Minister for Higher Education on 31.03.2023
 2. Government Letter no. 1371/B1/2023–2, Higher Education (B1) Department Dated: 21.06.2023.
 3. Minutes of the Meeting held at DoTE on 07.07.2023
 4. Board of Examinations meeting held at DoTE on 10.07.2023
 5. Minutes of the Meeting held at DoTE on 14.07.2023
 6. This office letter No.023318/Y3/CDC/2023 dated 19.07.2023
 7. Emails received from the training partners on 23.08.2023.

As per the announcement of the Hon'ble Minister for Higher Education, in collaboration with Tamil Nadu Skill Development Corporation, new courses have been introduced in the curriculum of Polytechnic students of Tamilnadu under Naan Mudhalvan Scheme.

S.No	Diploma Program	Year/Semester	Suggested subject
1.	All Branches	I / I & II	Basic English for Employability
2.	All Branches	II / III & IV	Employability Skills for Non – Circuit Branches Digital Skills for Circuit Branches.
3.	Civil Engineering	III / V	Building Information Modelling (BIM)
4.	Mechanical and Other Branches		Industry 4.0 and its application in Manufacturing Industries
5.	Computer Engineering and Information Technology		Industrial Metaverse
6.	Electrical and Electronics Engineering		IoT and its Applications
7.	Electronics and Communication Engineering		Printed Circuit Board Design

The training for the above said courses are being provided by the training partners from 07.08.2023 and 16.08.2023 for the 5th semester and 3rd semester students respectively.

But the emails received from some of the training partners state that some colleges have poor attendance and have cancelled the classes for the reasons such as Industrial visit, local holiday etc., without any prior intimation to the training provider. Also such issues affect the morale of the trainers and will hinder the achievement of the objective of the training. Since this scheme will identify the talents and train the students which will ultimately help them in getting a better career, we need to ensure the effective implementation of the above programme in both letter and spirit.

In order to monitor the proper conduction of the training program and to ensure the maximum attendance of the students, besides the Principals, the flying squads are requested to make surprise visits to the colleges under their purview and fill the details as in the Annexure and send the report to nm.socdc@gmail.com to make the upcoming sessions a grand success.

28/8/2023
for Director of Technical Education
